## GET GENUINE TOYOTA WIPER BLADES.

Wiper blades do more than just wipe rain and dirt away from your windshield. Not seeing the road clearly is a safety concern. Replace them every six months. Genuine Toyota Wiper Blades are designed and tested to:

- fit perfectly
- install quickly and easily
- provide a clean and clear wipe

Genuine Toyota Wiper Blades are available only at your Toyota dealership.

Ask your service advisor for more information and have them installed today.
